CERTIFICATE OF BEST PAPER AWARD

PRESENTED TO

Varshini Pillala

Kakatiya Institute of Technology and Science

BEST PAPER AWARD

This certificate is proudly presented in recognition of outstanding research quality, scholarly originality, and significant academic impact demonstrated in the research work presented at International Conference on Recent Innovations in Social Development - 2026. Following rigorous evaluation by the esteemed technical and review committee, the submitted research has been distinguished with the prestigious Best Paper Award for its exceptional contribution to the advancement of knowledge and scholarly discourse in this domain. This recognition reflects the highest standards of academic excellence, innovative thinking, and the meaningful impact of the research on the broader scientific and scholarly community. The organizing committee extends its heartfelt congratulations and

A Deep Learning Approach for Network Intrusion Detection Using a Small Feature Vector
